- Bid Tabulations

**Summary statement:** The City Council approved a budget of \$55,000 for road paint and \$30,000 for crack sealing for 2015. Crack sealing is an annual maintenance item that is put out to bid in the spring and is generally completed by the end of summer. The City did not do any crack sealing in 2014 and did only a minimum amount of street striping in 2014.

The 2015 Crack Sealing & Street Striping attracted two bidders and closed on March 24, 2015. The lowest responsive, responsible bidder was Alaska Sure Seal, Incorporated. It is recommended that the total bid be awarded in the amount of \$48,325.35.

**Administration recommendation:** Authorize Action Memorandum 15-028.
